PASTORAL LETTER

Greetings to All,

Even as we move towards the end of another year, the quick pace at which time flies should inspire us to make good use of each day. The old adage states that time waits on no one. Wrong choices, wrong actions can lead to regret and a wish to turn back the hands of time. "If I had ___ then ___." Whatever we fill the blanks with, there is a degree of sorrow that accompanies such statements.

The tragic death of our nation's children in recent news items reminds us that actions, choices that are taken for granted, that have become routine, can jeopardize the safety and security of children. The loss of innocent lives sometimes sparks the proposal of policies that if they had been in place would have prevented such tragedy.

Luke 12:39, "But know this: if the owner of the house had known at what hour the thief was coming, he would not allow his house to be broken into," speaks specifically to the return of Christ; but it also highlights our inability to predict the future. As such let us make good choices so that when we are called to give account we will not be found wanting.

Let us pray for our children and watch out for their best interest. Remember those parents whose little ones died in tragic circumstances. Let us pray for those who are burdened by regret and sorrow.

Yours in Christ's Service
Rev'd Charlene Burton
